Faculty	Program Degree	Department	Program Name	Program Admission Requirements	Program Fees	
					Egyptian	Non-Egyptian
Faculty of Engineering	Diploma of Science degree in Engineering	Electrical Engineering Department	Electrical Machines	- A bachelor's degree (or equivalent) from an approved institution with clear evidence.	2000 EGP	1500 USD application fees + 5500 USD Tuition fees per year
			Renewable Energy			
			Electrical power System			
			Power electronics			
			Power System Protection			
			High voltage			
		Electronics and Communications Engineering Department	Electrical Communications	- A no-Objection certificate from the applicant employer to study (if the applicant works).		
			Electronics Engineering			
			Biomedical Engineering			
		Computer Engineering and Systems Department	Computer Engineering	- Have approval of the faculty council on the enrollment attached with it (the main specialization field and the secondary specialization field according to the recommendation of the concerned scientific department.		
			Control Engineering			
		Mechanical Power Engineering Department	Refrigeration & Air Conditioning	-Applications are submitted during July of every year for diploma degree.		
			Power Plants Engineering			
			Hydraulic Machines Engineering			
			Combustion Engineering			
		Irrigation And Hydraulics Engineering Department	Engineering Water Structures	- The enrollment duration either:		
		Architectural Engineering Department	Architectural Engineering	<ul style="list-style-type: none"> The enrollment duration for awarding diploma is one year (not less than 24 hours a week) for full-time students. 		
		Structural Engineering Department	Structural Engineering	<ul style="list-style-type: none"> The enrollment duration for awarding diploma is two years (not 		
			Reinforced Concrete			
			Steel Structures			
			Engineering & Technology			

			Materials	less than 12 study hours a week) for working applicants.		
			Construction Management			
			Geotechnical Engineering			
		Public Works Engineering Department	Transport Planning & Traffic Engineering			
			Highway & Airport Engineering			
			Engineering Surveying			
			Railway Engineering			
		Production Engineering and Mechanical Design Department	Design Engineering			
			Manufacturing Engineering			
		Textile Engineering Department	Spinning Engineering			
			Weaving Engineering			
			Management of Textile Mills			
			Textile Equipment			
			Knitting & Ready – Made Garments Engineering			
			Technical Textile
